About Novi Sad – Conference venue

Novi Sad is the capital of the Autonomous Province of Vojvodina and Serbia's second-largest city. Its municipal population is over 370,000. The city is located on the banks of the Danube River and Danube-Tisa-Danube Canal, while facing the northern slopes of Fruška Gora Mountain. Since it was founded in 1694, Novi Sad became the centre of Serbian culture and earned its nickname *Serbian Athens*.

Today, NOVI SAD is a large industrial and financial centre and one of the biggest construction sites in the region. It is also well-known as a multiethnic and multi-religious city, with quiet and peaceful streets and high level of tolerance. The climate in Novi Sad is moderate continental, with an average daily high temperature 26.1° (78°F) and low 15°C (57°F) in June.
